Paul Mitchell The School Grand Rapids

ATTENDANCE AND DOCUMENTATION OF TIME

All Future Professionals must commit to and follow the Attendance and Documentation of Time Policy while enrolled in school. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience. Failure to follow these guidelines may result in a coaching under the Future Professional Advisory Policy and may result in termination without prior warning.

ATTENDANCE AND DOCUMENTATION OF TIME

1. The school records attendance in clock hours and gives appropriately earned attendance credit for all hours attended and does not add or deduct attendance hours as a penalty. Attendance is calculated using an attendance tracking called FAME Attendance app. It is the responsibility of the Future Professional to record their hours by checking in and out through the app. Attendance is calculated using a computerized time clock. This device may consist of an app that can be used on your phone, a biometric scanner in the school, or similar device. If a Future Professional fails to clock in or out for their schedule, the Future Professional will not receive hours. A student can receive credit for no more than 40 hours per week per section: *339.1205 5a of Act 299* - The Michigan Occupational Code.
   It is the responsibility of the Future Professional to ensure that they are properly clocking in and out as required. If a Future Professional fails to clock in or out for their schedule on the Future Professional timeclock, the Future Professional will not receive hours for the time with missed time punches. To ensure proper credit for clock hours, Future Professionals are required to clock in or out at the following times:
   - When they arrive at school,
   - When they leave for lunch,
   - When they return from lunch,
   - When they leave at the end of the day,
   - If a Future Professional leaves the premises for any reason, and
   - If a Future Professional is taking a break over 10 minutes, they are required to clock out.
     If the Future Professional wishes to dispute any hours they feel earned, the Future Professional must provide documentation to verify attendance on the missing time form. The documentation could include the Future Professional sign in sheet, the specialty class attendance role, and/or the guest service summary.
     If a Future Professional is experiencing timeclock challenges and are unable to clock in or out, they must report the challenge to the Director or Future Professional Advisor within 24 hours.
2. The school is open 9:00 AM to 4:30 PM for all Future Professionals.
3. The Future Professional must attend school according to the schedule in the Future Professional's enrollment agreement. All programs require continuous attendance.
4. Failure to attend mandatory days may result in an advisory. If a Future Professional is unable to attend a mandatory day they may find a substitute and submit the Substitution Request Form to the Future Professional Advisor for approval.
5. Future Professionals must be on time, as tardiness inhibits the learning process. Future Professionals who are late for any class must be accompanied into the classroom by a Learning Leader. Future Professionals are never excused from mandatory theory classes to work in the clinic classroom. Future Professionals that arrive

later than 9:00 AM will not be allowed to attend school. The only exception that would allow school attendance for a tardy arrival is a Doctor's note.

6. **Attendance Expectation Generally:** Future Professionals must maintain a 100% attendance average each month in order to complete the program by expected/calculated completion date. The school attendance policy requires 80% to maintain satisfactory progress. Falling below this number means that the Future Professional may receive a coaching on the advisory form for their attendance.
7. **Core/Protege Attendance Expectation:** Future Professionals attend Core/Protege for the first weeks of enrollment. During this time the Future Professional must maintain a monthly attendance of 80%. If at the conclusion of the month, the Future Professional's progress report does not meet 80% attendance, the Future Professional may be dropped from the program and may be asked to re-enroll in the next Core class start date.
8. Future Professionals are required to be in attendance and actively participating in their education. When a Future Professional is scheduled for attendance but not present, these will be reflected as absent hours. If a Future Professional does not clock in or out properly resulting in the hours not being counted, these will be reflected in the absent hours unless the missing time form and necessary documentation is provided as outlined in the catalog.
   If a Future Professional is absent, refer to the school make-up hour policy on how to make-up those hours. Please keep in mind make-up hours and policies are optional for the school to provide and may be changed. Future Professionals will receive clock hours during the times they fully participate in their learning experience.
9. **Vacation and Planned Time Away (e.g. medical appointments, outside commitments):** Future Professionals must request planned time off from school on the Future Professional Advisor and the Financial Services Leader. The approval of any request does not mean that the Future Professional will continue to meet the attendance requirements.
10. **Unplanned Absences or Tardies:** Future Professionals who are late or cannot attend school must contact the school and talk to the school service desk team immediately. Future Professionals must call in by 9:00 AM.
11. Lunches and breaks are scheduled for all Future Professionals. All Future Professionals are required to take30-minutes lunch break. Future Professionals should communicate with their Learning Leader if they have not had lunch by 1:30 PM.

Observe the appropriate breaks for your school schedule. Breaks are as follows:

Student Schedule	Breaks	Lunch
8 or 7 1/2 hr/day	10 min. in the morning & 10 min in the afternoon	30 min.

12. Documentation of time: Future Professionals may not leave the school premises during regular hours without a Learning Leader's permission.
    a. Future Professionals who leave the school premises for more than 10 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having a Learning Leader book them out.
    b. Future Professionals who leave the school premises for less than 10 minutes must sign the sign-out break sheet.
    c. Future Professionals must clock out with FAME Attendance app. for lunch for 30 minutes every day. Future Professionals will not receive credit for the hours if they fail to clock in/out for lunch.
13. Future Professionals can not clock in or out for another Future Professional.
14. Future Professionals can not ask others to clock them in or out.
15. Future Professionals must keep a record of all services performed each day.
